Colonel Nick Yankowski, USAF
Commander, Air Force Special Activities Center

Dear Colonel Yankowski:

Thank you for hosting our recent visit to your Headquarters. The discussion provided me and my staff with a candid view of Air Force HUMINT organization, capabilities, and current activities. Your staff is alert, bright, and articulate. Our participation in the roundtable discussion of the Air Force HUMINT program with this group of professional officers was a rewarding experience.

30 JAN 1984

I have forwarded a letter to Major General Pfautz noting my appreciation for the visit but also wanted to express personally my thanks to you and your staff for the time and effort that went into the presentation. The excellent briefing by Captain Bordas set the stage for an open and wide-ranging discussion.

I am planning a visit to FTD on 8 February 1984. At that time I would like to spend about an hour with your Detachment 22 Commander to discuss the AFSAC/FTD coordination and collaboration in more detail. [redacted] of my staff will follow up on the details with your Executive Officer.

I have enclosed a copy of the list of HUMINT achievements that was prepared by DIA, as we discussed. It may be of use to you in pointing up the value of HUMINT.

Sincerely,
